*"Omozua is a transformational keynote speaker who takes  
her audience beyond the typical script."*

**Everything you can achieve, change or improve starts with the brain.**

### **BIO**

Omozua Isiramen is a neuroscience transformation, peak performance specialist. She has spent over twenty years achieving specialisation in neuro-agility, emotional mastery, leadership development and actionable resilience to empower business owners, sales & corporate professionals and leaders to reach the next level of success. Omozua fuses her deep understanding of neuroscience with a burning passion for leadership and personal development to help individuals modify their unique inner formula and push through limitations.

Having trained with one of the world's top executive coaching authorities, John Mattone, who famously worked with and coached Steve Jobs, Omozua masterfully uses her certification in Intelligent Leadership Executive Coaching and the intensive training in neuroscience and leadership development coaching she received to deliver neuroscience-based strategies that have been tried and tested across the board to help leaders significantly improve performance.

Omozua's ability to help accomplished professionals in different fields to overcome their limiting barriers and unleash their potential to attain mastery stems from extensive experience in several areas, including brain-based Personal and Leadership Development, Neuro Agility, Emotional Intelligence & Mastery, and Effective Communication Training.
